TRAINING

Advanced Adobe Premiere

Duration: 1 day

Prerequisites

Attendance of the Premiere course, or equivalent knowledge

This 1 day Adobe Premiere training course gives delegates the chance to expand on the knowledge gained in the standard Premiere course, and to practise the new techniques in a mini project.

Adobe Premiere is a powerful nonlinear video editing package, equipped with all the tools you need to create professional video for broadcast or the web.

Objectives

During this Adobe Premiere training course, delegates will learn:

- Advanced editing techniques
- Using the Titler tool
- Applying video effects
- Motion and transparency techniques
- Exporting files

Course Content

Topic Header

Monitor Window Editing
