TRAINING

## Coaching Skills for Managers

**Duration:** 1 day

**Prerequisites**

There are no prerequisites for this course

This Coaching Skills for Managers training course provides guidance on the planning and delivery of coaching and its application and effectiveness within a variety of workplace environments. Delegates benefit from practice and feedback that is geared to develop skills and build confidence in a supportive environment.

Coaching is one of the most effective methods of enhancing performance. It involves deliberate and specific activities that are designed to help people develop their skills by learning on the job. A good coach leads highly productive teams who are keen to learn new skills and as a result significantly increase the cost effectiveness and efficiency of their department/ organisation.
