TRAINING

Team Leadership

Duration: 1 day

Prerequisites

There are no prerequisites for this course

This Team Leadership training course covers the key skills necessary for team members to become team leaders. It is ideal for recently promoted Team Leaders or those who have not had formal training.

Team leaders work as part of the team but are expected to divide their time between completing their own tasks and supervising other team members.

Objectives

After this Team Leadership training course, delegates will:

- Understand the dynamics behind a team and its members
- Have developed effective communication skills necessary to lead a team
- Be able to set objectives and evaluate them
- Have techniques for developing the confidence and effectiveness of a team
