

Today's organisations feature fewer management layers and emphasise individual responsibility. Successful delegation and empowerment relies on effective coaching.

This **Coaching & Mentoring training course** focuses on the methods by which managers develop the performance of individuals in their team. It looks at two main types of coaching, providing opportunities for managers to apply these skills.

We run this course privately to suit your business goals and can tailor the content accordingly. Please call [+44 \(0\)1273 622272](tel:+442045712395) to discuss your needs.
