

InDesign Masterclass Training

Gain a practical understanding of the features and processes involved in producing professional documents with our Adobe InDesign Masterclass training course.

Ideal if you have no previous experience of InDesign or are self-taught, you will learn how to produce documents from design concept right through to output.

Objective

After your InDesign Masterclass training course you will be able to:

- Use InDesign with confidence and skill
- Create documents from design through to output
- Apply styles to documents
- Manage documents effectively
- Produce professional quality print material

Details
