

Managing a call centre effectively is as much of an art as it is a skill. This Foundation Call Centre Management training course gives you an opportunity to look at the best use of resources, understanding reports and planning for future activity.

We look at how to keep your team motivated, well trained and able to contribute towards the success of the overall operation. We review the effective running of this key department within a customer focused environment while both providing quality service and increasing revenue.

We run this [Management training](#) course privately for your business at a location and on dates to suit you. Please call +44 (0)1273 622272 to discuss your needs.
