

MoV® Foundation & Practitioner Training

Earn your MoV Foundation and Practitioner certificate with us and enhance your career.

Our MoV Foundation and Practitioner classroom training course is fully PeopleCert-accredited and includes both Foundation and Practitioner exams. MoV Foundation and Practitioner provides the knowledge needed to tailor MoV to specific project scenarios.

Objective

By the end of the training course, you will:

- Gain an understanding of the principles of MoV to enable you to take part in MoV activities
- Understand how to apply MoV to a scenario situation

Details
