During your training you will sit two exams - the MSP Foundation exam mid-way through and the MSP Practitioner exam on the final day of the course.

The MSP Foundation exam is a one-hour multiple choice paper that tests your knowledge of MSP and is taken on day three of the course.

The Foundation paper consists of 75 multiple choice questions. This is a closed book examination. The pass mark is 35%. There are 5 unmarked sample questions included in the paper.

The MSP Practitioner exam is 2.5 hours. The Practitioner paper is a scenario based paper with 8 sections all worth 10 marks each. The pass mark is 40 (50%).

Our MSP® Practitioner pass rate in 2015 is currently 95%.

This qualification requires updating every 5 years and delegates can apply to take the re-registration examination with Silicon Beach Training.
