

MSP® Practitioner Conversion Training

Once you have passed the MSP® Foundation exam, you can sit the MSP® Practitioner exam to gain your MSP Practitioner Qualification. This course will prepare you to sit that exam and will build on the skills learnt on the MSP® Foundation course.

Objective

On completion of this MSP training course, you will be able to:

- Recognise the ways that MSP addresses the factors which enable successful programmes
- Identify key pieces of programme information
- Apply the main MSP principles
- Define and apply governance strategies
- Undertake risk analysis and management
- Tailor MSP to your own business environment
- Scale MSP for different programmes
- Sit the MSP Practitioner Examination with confidence

Details

Duration: 2 Days*

Who is this course for

This training course is for Project and Programme Managers looking to develop their skills and understanding.

Prior to attending this course delegates should have a good understanding of what Projects and Programmes are and have completed the pre-course reading and sample examination papers sent out 3 weeks prior to the course.

Delegates must also have passed the MSP Foundation examination on the Third Edition 2007. If the delegate has passed prior to this edition, they will need to take the [full MSP Practitioner Course](#).

Course Content

This MSP® Practitioner Conversion Training course provides an opportunity for revision of any of all of the topics covered in our MSP Foundation course as well as looking at exam technique, case studies and sample MSP Practitioner examination papers.

- Programme Management Themes
- The Transformational Flow
- Case Studies
- MSP in Practice
- Applying MSP
- How MSP principles can be applied to a given programme and how MSP can help maintain the programme's focus and the commitment of its stakeholders.
- MSP Exam

*After completing 1 day of classroom training and successfully passing your MSP® Foundation Exam, the second day of this course is a flexible exam preparation day to complete at your convenience in order to prepare you to take and pass your MSP® Practitioner exam online.

We provide comprehensive support during the exam process to make the experience as simple as possible. This exam can be taken at a suitable time, subject to availability; online, anywhere.

Benefits of online exams include:

- Proven higher pass rates
- Quicker Results
- Save Travel Costs
- Flexibility
- Convenient
- Take your exam at your home, office, or work when you are ready
