New for October 2014: Learn PRINCE2® online with our brand new eLearning platform.

If you're not looking to gain your PRINCE2 Foundation or Practitioner certificates then this is the most cost effective way to learn PRINCE2 in a way that you can apply it to your working environment.

This package includes access to our eLearning platform and accredited trainer support but does not include the PRINCE2® manual or exams.

Our PRINCE2 eLearning platform includes PRINCE2® Foundation and Practitioner Exam Simulators to help you prepare to sit your exams at a future date.

We recommend PRINCE2® Foundation eLearning and PRINCE2® Practitioner eLearning if you would like to sit your exams online.

Click here for a demo of the eLearning software or call us on 01273 622272 for more information.

Why Choose PRINCE2® eLearning?

- **High Pass Marks** - Delegates who study PRINCE2® using eLearning achieve a higher average score in the PRINCE2® Foundation and Practitioner exams
- **Flexibility** - Online learning gives you the freedom to access from any location, at any time

Silicon Beach Training is an Accredited Training Organisation for PRINCE2®, MSP® and ITIL®

PRINCE2® is a registered trade mark of AXELOS Limited, used under permission of AXELOS Limited. All rights reserved.
