PRINCE2® Foundation and Practitioner Training Course (PRINCE2 2017)

Earn your PRINCE2® Practitioner certificate at our training course in your local area! - PRINCE2® is the top industry-recognised project management qualification. This hands-on 5-day course in will prepare you for both the PRINCE2 Foundation & Practitioner exams which are taken as part of the course and always included in the course fees.

During the week you will cover both the PRINCE2® Foundation & PRINCE2® Practitioner training courses. These can be taken separately if you prefer to split your PRINCE2® training across two weeks. A PRINCE2® qualification will help your project management career and help you deliver projects that meet objectives within budget and on time. The PRINCE2® framework gives you a structured approach for managing projects of any size or type - across many different industries.

We are proud of our 99% PRINCE2® Foundation pass rate to date.

Download our free PRINCE2® Practitioner exam tips eBook for help with passing your exam.

What is PRINCE2®?

PRINCE2®, an acronym for Projects IN Controlled Environments, is a project management methodology that promotes productivity and maximal efficiency - through following an established and proven process-driven framework. For more information check out our blog PRINCE2® vs APMP - What are the differences?

PRINCE2® Practitioner Pre-Course Reading

Before you attend one of our PRINCE2 training courses we'll provide you with the official PRINCE2® Manual. Our workbook guides you through the PRINCE2® Manual in an accessible

and easy to understand way - giving you a solid base of knowledge before the course and allowing more time to be spent on the practical applications. Up to 13 hours of pre-course reading is recommended.

Having trouble trying to figure out the Differences Between PRINCE2® Foundation and PRINCE2® Practitioner Qualification, check out our blog for more information.

Why don't you get some extra revision in before your PRINCE2® Examinations with our own PRINCE2® Quiz

PRINCE2® Foundation and Practitioner Evening Work

You will be given homework during the course in the form of Sample Foundation Papers to complete and may also be required to do some scenario based homework as well.

For delegates undertaking the Practitioner examination, there will be additional homework on day 3 which will involve completing sample objective examination questions in preparation for day 4 and the practitioner exam on day 5.

Please ensure you keep your social diary free during the course so that you are able to complete work during the evenings.

Silicon Beach Training is an Accredited Training Organisation for PRINCE2®, MSP® and ITIL®
